

STAS minirail®

smart picture hanging systems

product description **STAS** minirail

The patented STAS minirail system is the thinnest and most innovative picture hanging system in the world. The rail, which is available in white or a natural aluminium colour, is only 16 mm wide and perfectly blends in with your interior. The STAS minirail system is very easy to use. Fitting, using the specially developed STAS minirail clipscrew, couldn't be simpler.

application

If you want an elegant, barely visible hanging system, the STAS minirail system is your best choice. The STAS minirail is an elegant rail that attaches to the wall.

mount assembly

STAS quality and innovation

STAS picture hanging systems has proven itself to be the world's most innovative manufacturer of high-quality picture hanging systems. STAS only uses the best materials and closely controls every step of the production process. Our products have been awarded no less than 20 unique patents. The STAS smartspring was even awarded a gold medal at the Inventors' Convention in Geneva and the STAS cobra has won a Good Industrial Design Award. The STAS minirail won the 'Best Product Design Award for Decorative Accessories'. That is why STAS products are used all over the world in both family homes and in businesses, educational institutions, government buildings and the most prestigious museums and galleries.
